CLS Holdings Announces Dominick Monaco as Director of Plant Operations

LAS VEGAS, NV, Nov. 07, 2019 (GLOBE NEWSWIRE) -- via NEWMEDIAWIRE -- CLS Holdings USA, Inc. (OTCQB: CLSH, CSE: CLSH) ("CLS" or the "Company"), a diversified cannabis company operating as Cannabis Life Sciences, is pleased to announce the appointment of Dominick Monaco as Director of Plant Operations at City Trees, the Company's branded products and bulk flower subsidiary. Monaco, who brings pharmaceutical experience and expertise to the cannabis industry, will be responsible for the daily management and coordination of plant operations, including production, quality and logistics.

Dominick, a graduate from the University of Arizona College of Pharmacy, has been involved in the legal cannabis industry since 2012. Most recently and since 2017, he was at GB Sciences, Inc. ("GB"), a cannabis company focused on standardized cultivation and production methods, where he held a variety of positions with increasing responsibility, including Director of Quality, Product Development & Medical Formulations; General & Operations Manager; Director of Sales, QC & Assistant GM; and Quality Control & Laboratory Manager.

As GB's General and Operations Manager, Dominick oversaw 28,000 square feet of space dedicated to licensed cannabis cultivation and extraction, including more than 50 employees across nine departments, formulating and manufacturing Louisiana's first ever Medical Marijuana tinctures in tandem with Louisiana State University's AgCenter. He also supervised the implementation of licensed, and/or contracted, technology transfers between university researchers and cannabis brands alike.

In his new role as Director of Plant Operations, Dominick will be hands on managing City Trees' production and distribution activities in Nevada. Monaco will focus on streamlining processes and maximizing efficiencies while evaluating new technology, vendors, and SKUs for their feasibility in the Nevada market.

CLS' President and COO Andrew Glashow commented, "We are in the final stages of completing our state-of-the-art conversion and extraction facility in North Las Vegas and to have someone with Dominick's industry knowledge is a great addition to our team. We look forward to hosting a number of open houses in December and displaying all the City Trees offerings at MJBIZ Las Vegas. The opening of our production facility has been carefully planned and a substantial financial commitment has been made in order to assure our ability to manufacture safe, best in class consumer products."

Dominick Monaco added, "I'm thrilled to be joining such a well-versed & dedicated team of individuals. Having operated in Nevada myself since early 2017 and the legal cannabis industry since 2012, I've been able to witness CLS Holdings, City Trees, and Oasis Cannabis Dispensary serve this nascent Nevada market with a level of passion and business acumen that is second to none. Leveraging my pharmaceutical, chemical analysis, extraction, and operations management talents with this esteemed team of executives, managers, and employees serves to bolster and galvanize CLS Holdings' hold in the Nevada market, now and in the foreseeable future."
