MONTHLY PROGRESS REPORT

Name of Listed Issuer: BIGG Digital Assets Inc. (formerly Blockchain Intelligence Group Inc.) (the "Issuer").

Trading Symbol: BIGG

Number of Outstanding Listed Securities: 242,280,956

Date: October 4, 2021

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

BIGG Digital Assets Inc. ("BIGG" or the "Company") (CSE: BIGG) is a digital assets holding company focused on investing in products and companies that are aligned with its own vision of fostering a safe, compliant and regulated environment for crypto. BIGG has

two operating businesses: Netcoins (gonetcoins.com) and Blockchain Intelligence Group (blockchainroup.io)

Netcoins develops brokerage and exchange software to make the purchase and sale of cryptocurrency easily accessible to the mass consumer and investor with a focus on compliance and safety. Netcoins utilizes BitRank Verified® software at the heart of its platform and facilitates crypto transactions via a self-serve crypto brokerage portal at Netcoins.app.

Blockchain Intelligence Group (BIG) has developed a Blockchain-agnostic search and analytics engine, QLUE™, enabling Law Enforcement, RegTech, Regulators and Government Agencies to visually track, trace and monitor cryptocurrency transactions at a forensic level. Our commercial product, BitRank Verified®, offers a "risk score" for cryptocurrencies, enabling RegTech, banks, ATMs, exchanges, and retailers to meet traditional regulatory/compliance requirements.

2. Provide a general overview and discussion of the activities of management.

During September 2021, management continued its activities to build out the businesses, increasing name recognition and broadening general awareness.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

BIGG did not offer any new products or services.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

BIGG did not discontinue any products or services in September 2021.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

BIGG did not enter into any new business relationships during September 2021, outside its normal course business. On September 10, 2021, BIGG announced that Manning Elliott LLP has resigned as the Company's auditor effective September 7, 2021, on the former auditor's own initiative. There are no reportable events, "disagreements" or "unresolved issues" (as those terms are defined in National Instrument 51-102 Continuous Disclosure Obligations) in connection with the change of auditor. BIGG is evaluating a successor auditor.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

The Company did not have any contracts or financing arrangements which expired or were terminated during September 2021.

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

During September 2021, the Company did not dispose of any of its assets.

8. Describe the acquisition of new customers or loss of customers.

During September 2021, BIG gained 39 new subscribers to its online cryptocurrency training course, 2 new customers for its products, and lost nil existing customers, and Netcoins registered 5,375 new users on its online trading app.

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

On September 29, 2021, BIGG announced that Netcoins Inc. has been registered as a restricted dealer in the provinces of British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, Quebec, New Brunswick, Prince Edward Island and Nova Scotia. Netcoins also anticipated registration in Newfoundland shortly thereafter. The British Columbia Securities Commission Order can be found under [2021 BCSECCOM 383](#). BIGG continues to be at the forefront of regulation in the Canadian crypto space and, notably, is the first publicly traded company in the country to own and operate a registered crypto trading platform. This marks a significant milestone for BIGG, Netcoins, and the crypto trading industry, with a new regulatory regime for an emerging industry that is growing exponentially.

10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.

During September 2021, there were no terminations or lay-offs, and 1 new hire within the Netcoins operations.

11. Report on any labour disputes and resolutions of those disputes if applicable.

A former employee of BIG has claimed that she was unjustly terminated and filed a claim with the BC Human Rights Tribunal and a Notice of Civil Claim in the Supreme Court of British Columbia. The Company fundamentally disagrees with the factual and legal basis of the alleged claims and believes that the claims have no merit.

A former employee of BIG has filed a lawsuit against the Company in the Supreme Court of British Columbia claiming that he was constructively dismissed. The Company believes that the suit has no merit and will vigorously defend the claim.

See Item 12 below for details.

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

On October 9, 2019, Ms. Robin Martin (the "Complainant") filed a complaint against the Company with the BC Human Rights Tribunal claiming discrimination contrary to the Human Rights Code: Employment (S.13): Physical Disability. Ms. Martin is seeking the following remedies: (a) a declaration that the Company's is in contravention of the Human Rights Code; (b) an order for the reinstatement of Ms. Martin's employment; (c) alternately, an order for damages in compensation for Ms. Martin's lost wages and benefits, and injury to dignity; and (d) such other relief as may be advised by the Tribunal at the hearing. An early settlement meeting was held between Ms. Martin's counsel and the Company in mid-August 2020. A resolution was not reached. As such, a Tribunal hearing will proceed during 2021, the timing uncertain due to Covid-19 delays. In October 2020, the Company filed a response to a Notice of Civil Claim in the Supreme Court of British Columbia filed by Ms. Martin on August 31, 2020 claiming wrongful dismissal and seeking damages for breach of contract for wrongful dismissal, aggravated damages, punitive damages, special damages, interest, costs of the action and any further and other relief offered by the court.

On October 28, 2019, the Company received Notice of Civil Claim in the Supreme Court of British Columbia by Mr. Marty Anstey against Blockchain Technology Group Inc., BIG Blockchain Intelligence Group Inc., and BIGG Digital Assets Inc. Mr. Anstey is claiming constructive dismissal and is demanding judgment in the aggregate of \$450,000; in the alternative, damages for wrongful dismissal; aggravated damages; bad faith damages; punitive damages; interest; costs and any such further and other relief the court deems just. The Company did not terminate Mr. Anstey and denies that he was constructively dismissed as alleged in the Notice of Civil Claim, or at all.

The Company believes that neither of the above-noted claims has merit and will vigorously defend against the claims.

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

This item is not applicable.

14. Provide details of any securities issued and options or warrants granted.

Security	Number Issued	Details of Issuance	Use of Proceeds ⁽¹⁾
Common Shares	164,241	Issued at an average price of \$0.28 per share on exercise of warrants	\$45,736 for general working capital

- (1) State aggregate proceeds and intended allocation of proceeds.

15. Provide details of any loans to or by Related Persons.

This item is not applicable.

16. Provide details of any changes in directors, officers or committee members.
None.
17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

In recent years there has been a dramatic surge of interest in blockchain technology and digital currency. This disruptive technology has led to an explosion of new applications, platforms and technologies being launched. Over the past year, the industry has made improvements (custody solutions, establishing best practices for digital assets, regulatory compliance) that lay the foundation for the mass adoption and use of digital currency. As digital currency enters its second decade it appears that broader adoption has commenced. Overall, the digital asset markets have diversified and grown – with trend expected to continue beyond 2021.

In the wake of the COVID-19 pandemic, the impact on BIGG's operations has not yet been discerned. The Company's businesses are largely cloud-based, allowing for remote working and management; however, these businesses are start-ups. The longer-term implications and effects of the pandemic on the BIGG's operations cannot be projected at this time.
