

Liberty Health Sciences Approved To Manufacture And Dispense Solei Sungrown Cannabis ("Solei") Products In FL Dispensaries

Toronto, ON – August 31, 2018 — Liberty Health Sciences Inc. (CSE: LHS) (OTCQX: [LHSIF](https://www.libertyhealthsciences.com)) (www.libertyhealthsciences.com) ("Liberty" or the "Company"), a provider of high quality cannabis, announced today that it has received approval from the Florida Department of Health to manufacture and dispense a line of products branded as Solei, developed by Aphria, a leading global cannabis company.

Solei will be available in a wide variety of product consumption alternatives, with easy-to-use instructions designed to simplify cannabis use.

"We are excited to introduce our line of Solei brand products to the U.S. market along with our growing portfolio of premium brands. Liberty is committed to delivering a diverse selection to our important customers in a safe and caring environment," said George Scorsis, CEO of Liberty Health Sciences. "Consumers in Florida will benefit from Solei's simplified approach to consuming cannabis and we will offer an assortment of carefully curated products and strains with different experiences."

Solei brand products will be available in all Liberty Cannabis Education Centers across the state of Florida by mid-October.

Solei brand products include:
