### MONTHLY PROGRESS REPORT

Name of Listed Issuer: PreveCeutical Medical Inc. (the "Issuer").

Trading Symbol: PREV

Number of Outstanding Listed Securities: 492,049,158

Date: July 6, 2020 (for the month ended June 30, 2020)

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**Not applicable**

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer’s market(s) or political/regulatory trends.

***The production and distribution of health products are subject to federal, provincial and local laws, rules, regulations, and policies, and to international trade agreements, all of which provide a framework for the Issuer's operations. Regulatory amendments that may impact the Issuer include changes to food and drug laws, labelling laws, accounting standards, tax laws, competition laws and environmental laws, including laws with respect to water rights and water treatment regulations and laws affecting the treatment of animals. Such changes can have an impact on the Issuer's financial results or increase its costs and liabilities. Such changes would also affect all health products and would not disproportionately harm the Issuer relative to the health product industry.***

***The unprecedented challenges from the Covid-19 pandemic has negatively impacted the investment market and the retail market for health-related products. This will adversely impact the Issuer’s ability to raise more capital and to successfully commercialize or promote current or future products while the effects of the pandemic are in effect. It is currently unknown with certainty how long the current global pandemic will last.***
