

## **Glance Pay Announces Accelerated Expansion - Live in 4 Provinces in August & Kicks Off Marketing Efforts in the US**

**July 31, 2017 – Vancouver, B.C.** – Glance Technologies Inc. (CSE:GET.CN) (OTCQB:GLNMF) (CSE:GET.WT), (FKT:GJT) is pleased to announce its strategic expansion across Canada and accelerated sales efforts. The Glance Pay app is now live in restaurants across British Columbia, Alberta, Saskatchewan and Ontario with set dates to launch 2 additional restaurants in Alberta soon. The app is now live in 4 provinces, all within 10 months of its launch last September. The Glance Pay app is now available in both the Canadian and US app stores to residents throughout both countries.

Glance's continuing growth is supported by full sales and implementation teams in both Vancouver and Toronto and it has successfully launched locations across Canada with its proprietary Remote Launch innovations. Glance previously announced positive growth in gross revenues and the latest territory it intends to permeate, Toronto. Now it has engaged the firm Blue Panda Digital Inc., a firm that specializes in lead generation and business development with a social media, digital and email marketing component. Blue Panda is a modernized approach to sales and marketing for a new generation of business.

### **What's Next?**

Glance is continuing to formulate strategic marketing and business development campaigns with a focus to launch operations in the US with positive impact, and is beginning to implement strategic campaigns to sign US merchants. "As our product offering and value proposition has expanded, it makes sense to add external resources to accelerate our sales efforts. We have some very exciting things in store," says CEO Desmond Griffin, "We have been working on innovations to our merchant technology that will allow us to scale up in a significant manner in a way which will allow us to grow at a faster rate."

Additionally, Glance has added a new business development and account manager in Vancouver and new sales reps in Toronto. Management believes that added team members and using outsourced sales resources will help Glance to scale its efforts more quickly.

### **About Glance Technologies Inc.**
