PRIMARY ENERGY METALS ANNOUNCES LISTING ON FRANKFURT STOCK EXCHANGE

VANCOUVER, BC, CANADA (October 4th, 2018) – Primary Energy Metals Inc. (formerly Primary Cobalt) (CSE-PRIM) (FSE-1WZ:GR) ("Primary" or the "Company") announces that the company's shares are now listed on the Frankfurt Stock Exchange ("FSE") under the trading symbol 1WZ:GR.

Patrick Morris said: *"The listing of Primary Energy Metals on the Frankfurt Stock Exchange in addition to the Canadian Stock Exchange ("CSE") will heighten exposure of Primary in this major marketplace with its knowledgeable investor base traditionally very active in the junior mining and battery metals space. This is a great opportunity to introduce Primary to a receptive European investing audience at a time when Primary will be actively generating results from exploration and development of green energy projects and minerals."*

The Company will maintain its primary listing on the CSE and in addition, Primary's CSE announcements will be disseminated to the European investor community via the FSE.

About Primary

PRIMARY ENERGY METALS INC. (CSE: PRIM, FSE: 1WZ:GR) is a listed junior exploration and development company and is engaged in the business of acquiring, exploring and developing ethically sourced Vanadium, Cobalt, Copper, Nickel, and Uranium focussed mineral resource properties to create value for its shareholders.

ACQUISITION FOCUS - Other projects Primary is investigating are in the clean energy sector. In this sector, the Company is focused specifically upon exploration opportunities to source green energy power minerals for use in battery production. Primary's interests in this sector are guided by the following:

- Identifying opportunities in regions that are conducive to mining due to the regulatory nature of the government with existing infrastructure.
- Identifying opportunities in geographical locations that provide easy access large markets for these metals.
- Identifying opportunities with locations with existing mine shafts.
