

## **PLYMOUTH ROCK ANNOUNCES PRIVATE PLACEMENT FINANCING**

**Plymouth, Massachusetts – April 13, 2020** – Plymouth Rock Technologies Inc. (**CSE: PRT**) (**OTC: PLRTF**) (**Frankfurt: 4XA WKN# A2N8RH**) (“Plymouth Rock”, “PRT”, or the “Company”) today announced a non-brokered private placement financing of up to 5,000,000 units (the “**Units**”) of securities at a price of \$0.15 CAD per Unit for aggregate gross proceeds of up to \$750,000 CAD (the “**Offering**”). Each Unit will be comprised of one (1) common share and one (1) transferable common share purchase warrant, entitling the holder to purchase one additional common share at a price of \$0.20 CAD for two (2) years from closing of the Offering. All securities issued in the private placement will be subject to a four month hold period.

Finders’ fees of up to 7.0%, payable in cash or Units, may be payable on a portion of the Offering at the discretion of the Company.

The net proceeds of the private placement will be used for the commercialization of PRT’s technologies, and for working capital.

### **About Plymouth Rock Technologies Inc.**

We are on a mission to bring engineering-driven answers to the most critical problems that threaten our safety. We work with government, law enforcement and military to innovate solutions for national security, defense and space systems. The Company is developing the next generation of threat detection solutions, The PRT X1 is a purpose built multirotor Unmanned Aircraft System (UAS). The unit contains an integrated sensor package that combines Thermal detection with 4K HD real-time air-to-ground streaming. Our advanced threat detection methods fuse artificial intelligence with augmented reality interfaces to eliminate human operating error. Plymouth Rock products, both airborne and land-based, will scan for threat items at greater “stand-off” distances than current existing technologies. Our unique radar imaging and signal processing technology creates new opportunities for remotely operated, non-intrusive screening of crowds in real time.

Plymouth Rock’s other core technologies include: (1) A Millimeter Remote Imaging from Airborne Drone (“**MIRIAD**”); (2) A compact microwave radar system for scanning shoe’s (“**Shoe-Scanner**”).

### Forward Looking Statements

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, business strategy, use of proceeds, corporate vision, proposed acquisitions, partnerships, joint-ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions and dependence upon regulatory approvals. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by securities laws.
