

PLYMOUTH ROCK ANNOUNCES EXTENSION TO FILING OF ANNUAL FINANCIAL STATEMENTS AND MD&A

Plymouth, Massachusetts – March 30, 2020 – Plymouth Rock Technologies Inc. (CSE: PRT) (OTC: PLRTF) (Frankfurt: 4XA WKN# A2N8RH) (“Plymouth Rock”, “PRT”, or the “Company”) today announced it is relying upon the exemption announced by the British Columbia Securities Commission on March 23, 2020 to the requirement to file audited annual financial statements and MD&A on or before the 120th day after the end of its most recently completed financial year. The Company anticipates it will file on or before April 10, 2020.

The Company confirms that management and other insiders are subject to a trading blackout that reflects the principles in section 9 of National Policy 11-207 *Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions*. The Company further confirms there have been no undisclosed material business developments since October 25, 2019, the date of filing the Company’s third quarter interim financial statements.

About Plymouth Rock Technologies Inc.

We are on a mission to bring engineering-driven answers to the most critical problems that threaten our safety. We work with government, law enforcement and military to innovate solutions for national security, defense and space systems. The Company is developing the next generation of threat detection solutions, The PRT X1 is a purpose built multirotor Unmanned Aircraft System (UAS). The unit contains an integrated sensor package that combines Thermal detection with 4K HD real-time air-to-ground streaming. Our advanced threat detection methods fuse artificial intelligence with augmented reality interfaces to eliminate human operating error. Plymouth Rock products, both airborne and land-based, will scan for threat items at greater “stand-off” distances than current existing technologies. Our unique radar imaging and signal processing technology creates new opportunities for remotely operated, none intrusive screening of crowds in real time.

Plymouth Rock’s other core technologies include: (1) A Millimeter Remote Imaging from Airborne Drone (“**MIRIAD**”); (2) A compact microwave radar system for scanning shoe’s (“**Shoe-Scanner**”).

Forward Looking Statements

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, business strategy, use of proceeds, corporate vision, proposed acquisitions, partnerships, joint-ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions and dependence upon regulatory approvals. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by securities laws.
