MONTHLY PROGRESS REPORT

Name of Listed Issuer: **Pasinex Resources Limited** (the "Issuer" or "Company").

Trading Symbol: **PSE**

Number of Outstanding Listed Securities: **254,489,081**

Date: **May 1st, 2026**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

(a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.

(b) The term "Issuer" includes the Issuer and any of its subsidiaries.

(c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

   Pasinex Resources Limited is a Toronto-based mining company focused on the exploration and production of high-grade zinc. The Company owns 100% of Horzum A.Ş., which operates the Pinargözü Mine in Türkiye. Pinargözü is

a producing, high-grade zinc mine with ore grades typically ranging from 30% to 50%, selling directly to zinc smelters and refiners through commodity brokers. Over the past decade, operations at Pinargözü have mined more than 200,000 tonnes of ore, produced over 160 million pounds of zinc, and generated more than CAD $125 million in sales.

The Company also owns 100% of the Sarıkaya lead-zinc operating license in Kayseri Province, Türkiye, a project with significant near-term production potential. Sarıkaya is already producing on a small scale at grades between 30% and 50% zinc.

In the United States, Pasinex holds a 51% interest in the Gunman Project in Nevada, a high-grade zinc exploration property with historical grades between 14% and 24%.

The Company issued no news releases during the month.

2. Provide a general overview and discussion of the activities of management.

The Company has now improved its financial position by reducing its existing liabilities.

The Company has not completed a current technical report that includes a mineral resource estimate as defined by the Mineral Resources and Reserves, Definitions and Guidelines prepared by the CIM Standing Committee on Reserve Definitions and adopted by CIM Council. The Company has no intention of completing a NI 43-101 compliant technical report.

The Mine has been operating on a single shift per day, with approximately 200 tonnes of zinc sulphide material produced per month.
