### **Premier Health Announces Strategic Partnership with China’s 360 Health, a subsidiary of 360 Security Technology Inc.**

VANCOUVER, British Columbia, January 17, 2019 – Premier Health Group Inc. (CSE: PHGI, OTCQB: PHGRF, Frankfurt: 6PH) (the “Company” or “Premier Health”), a Company focused on developing innovative approaches that combine human skill based expertise with emerging technologies for the healthcare industry, is pleased to announce as part of its international expansion strategy, it has entered into a strategic partnership with China’s 360 Health, a healthcare subsidiary of 360 Security Technology. The parent company, 360 Security Technology, is a leading online service company in China with a market capitalization of over \$20 billion USD as of January 16, 2019. As part of the collaboration, Premier and 360 Health will implement an infrastructure whereby Premier will be providing second opinion services by connecting 360 Health’s patients in China with doctors in Canada both remotely and in person. Premier will also assist with General Practitioner training virtually and onsite through medical seminars.

“We are very excited to be working with 360 Health as China continues to adopt a Family Practice primary care model and look forward to helping them establish themselves as a leader in primary care. This partnership represents an excellent opportunity for Premier to tap into the fastest growing telemedicine market globally,” said CEO, Dr. Essam Hamza.

360 Health has been approved for an Internet Hospital license in China and provides a platform for Chinese doctors and patients enabling online consultations (chat/video), online prescriptions and online purchase of medicine.

The Company will provide additional updates on the partnership over the coming months.

ON BEHALF OF THE BOARD OF DIRECTORS

“Dr. Essam Hamza, MD”  
Chief Executive Officer

#### **About Premier Health**

Premier Health is a Canadian company that is strategically poised to take advantage of business opportunities in the global health care industry. We are developing innovative health care approaches that combine human skill-based expertise with emerging technologies, with the goal of setting the gold standard for services in locations of interest worldwide. Premier Health’s subsidiary, HealthVue is focused on developing proprietary technology to deliver quality healthcare through the combination of connected primary care clinics with telemedicine and artificial intelligence (AI). We currently have an ecosystem of over 100,000 active patients and have plans to rapidly increase that number both domestically and internationally. The Premier Health team has a strong track record of successfully creating value in

healthcare and technology enterprises. The Management team has deep clinical, financial and operational expertise and a passion for improving healthcare for all patients.

### **About 360 Health**

360 Health (Shanghai Youyi Information Technology Co. Ltd.) is a subsidiary of 360 Technology Inc., a leading online service company in China. 360 Health focuses on medicine and healthcare services. 360 Health has been approved for an Internet Hospital license in China and provides a platform for Chinese doctors and patients enabling online consultations (chat/video), online prescriptions and online purchase of medicine.
