Premier Health Announces Additions to the Leadership Team

VANCOUVER, British Columbia, January 25, 2019 – Premier Health Group (CSE: PHGI, OTCQB: PHGRF, Frankfurt: 6PH) (the “Company” or “Premier Health”), a Company focused on developing innovative approaches that combine human skill based expertise with emerging technologies for the healthcare industry, is pleased to announce two key new hires to support its anticipated growth in 2019 and beyond.

“As we further our expansion, we are thrilled to officially bring on two new members to the Premier leadership team,” said Dr. Essam Hamza, CEO of Premier. “Mr. Mena Beshay has accepted the role of CFO with the company, and Ms. Kanchan Thindal will take on the position of COO. These two highly educated individuals bring extensive financial, operations and strategic experience to Premier that will be a major asset as we enter our next phase of growth and further our patient centric mission.”

Donald Gordon will be resigning from his position as Chief Financial Officer effective immediately. The Company would like to thank him for his services as CFO.

ON BEHALF OF THE BOARD OF DIRECTORS

“Dr. Essam Hamza, MD”
Chief Executive Officer

About Premier Health

Premier Health is a Canadian company that is strategically poised to take advantage of business opportunities in the global health care industry. We are developing innovative health care approaches that combine human skill-based expertise with emerging technologies, with the goal of setting the gold standard for services in locations of interest worldwide. Premier Health’s subsidiary, HealthVue is focused on developing proprietary technology to deliver quality healthcare through the combination of connected primary care clinics with telemedicine and artificial intelligence (AI). We currently have an ecosystem of over 100,000 active patients and have plans to rapidly increase that number both domestically and internationally. The HealthVue team has a strong track record of successfully creating value in healthcare and technology enterprises. The Management team has deep clinical, financial and operational expertise and a passion for improving healthcare for all patients.
