**Premier Health Announces Correction to New Release
Disseminated on January 29, 2019**

VANCOUVER, British Columbia, January 30, 2019 – Premier Health Group (CSE: PHGI, OTCQB: PHGRF, Frankfurt: 6PH) (the “Company” or “Premier Health”), a Company focused on developing innovative approaches that combine human skill based expertise with emerging technologies for the healthcare industry, announced a correction to its news release disseminated on January 29, 2019. The news release has been corrected for the correct deadline for Premier Health Group Inc. to pay the post-closing cash consideration payments to the vendors, from 90 days after closing to within 60 days following closing for the first post-closing cash payment, and from six months of the LOI to June 5, 2019 for the second post-closing cash payment. The news release has also been corrected for the correct trading restrictions applicable to the common shares comprising the share consideration, from four months and one day to one-half of such shares being released from contractual restrictions on trading every six months commencing on July 28, 2019.

The rest of the press release remains unchanged.

Cautionary Statements

This news release contains forward-looking statements that are based on Premier Health's expectations, estimates and projections regarding its business and the economic environment in which it operates, including with respect to receipt of exchange approval and third-party consents, the availability of financing on terms acceptable to Premier Health, the closing of the acquisition, and the expected timing thereof, and Premier Health's expectations regarding business expansion opportunities and the current management team. Although Premier Health believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and involve risks and uncertainties that are difficult to control or predict. Therefore, actual outcomes and results may differ materially from those expressed in these forward-looking statements and readers should not place undue reliance on such statements. These forward-looking statements speak only as of the date on which they are made, and Premier Health undertakes no obligation to update them publicly to reflect new information or the occurrence of future events or circumstances, unless otherwise required to do so by law.
