

NEWS RELEASE

ESI Announces Resignation of Director

Calgary, Canada – May 16, 2018 - ESI Energy Services Inc. (CSE: OPI) ("ESI" or the "Company") announces that Ted Rigaux has resigned as a director of ESI as of May 16, 2018 for personal reasons. Mr. Rigaux is on parental leave until October 1, 2018 when he will return to ESI.

About ESI

ESI is a publically traded company listed on the Canadian Securities Exchange under the symbol of "OPI". The Company operates in western Canada and the United States of America. The Company, through its operating entities, ESI Energy Services Inc. ("ESI") and Ozzie's Pipeline Padder, Inc. ("OPI"), supplies (rents and sells) backfill separation machines ("Padding Machines") to mainline pipeline contractors, renewables and utility construction contractors as well as oilfield pipeline and construction contractors.

Forward-Looking Statements

Certain statements contained in this press release constitute forward-looking information. These statements relate to future events or future performance. The use of the word "will", and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on the Company's current beliefs or assumptions as to the outcome and timing of such future events. Actual future results may differ materially. Various assumptions or factors are typically applied in drawing conclusions or making the forecasts or projections set out in forward-looking information. Those assumptions and factors are based on information currently available to the Company. The forward-looking information contained in this release is made as of the date hereof and the Company is not obligated to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Due to the risks, uncertainties and assumptions inherent in forward-looking information, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information contained herein.
