

GLANCE APPOINTMENTS KIRK HERRINGTON AS CHAIRMAN

October 27, 2017 – Vancouver, B.C. – Glance Technologies Inc. (“**Glance**” or the “**Company**”) (CSE: GET.CN) (OTCQB: GLNNF) (CSE: GET.WT) (FKT: GJT) is pleased to announce the appointment of Kirk Herrington as Chairman of the Board.

Mr. Herrington has been on the Company’s Board of Directors since October 2015 providing Glance with his extensive experience as a software executive.

“It’s very exciting to see Glance take a leadership position in the mobile payments industry with best in class security and support for the cryptocurrency payments,” says Kirk, “I am honored to be appointed Chairman and excited about the future for Glance.”

Kirk Herrington is an accomplished technology industry executive who has played a key role in the success of a number of prominent software companies. He has 30+ years senior-level experience in the design, development and commercialization of advanced software technologies, as well as extensive strategic and management expertise. Prior to co-founding GaleForce, Mr. Herrington was Executive Vice President Products and Chief Technology Officer of Pivotal Corporation, a leading vendor of mid-market Customer Relationship Management (CRM) solutions to the financial services and health care industries. During his tenure, Pivotal was recognized as one of the top 10 fastest-growing technologies companies in North America.

Previously, Mr. Herrington co-founded Simba Technologies Inc., and was Chief Technology Officer then Chief Executive Officer. In the position of CEO for his last two years with this data access middleware company, he developed new strategies and restructured the company to capitalize on growth opportunities, and managed a new eBusiness Product unit that ultimately led to a \$30 million acquisition by Pivotal Corporation. Among his business achievements, Mr. Herrington has won Business in Vancouver newspapers Top 40 Under 40 Award, which recognizes outstanding entrepreneurs and executives. He holds a Bachelor of Applied Science from the University of British Columbia.

In connection with the appointment, the Company is granting Mr. Herrington 250,000 options to be vested over one year.
