For the Month of May 2019

PRECAUTIONARY NOTE

All information presented herein is unaudited and prepared on the basis of preliminary information as available within four-trading days of the reporting date. Accordingly, this information may be subject to material adjustment on completion of any unaudited quarterly interim financial reports or the Company's annual audit. The information presented herein should be read in conjunction with the Company's interim consolidated unaudited condensed interim financial statements for the nine months ended January 31, 2019, and the audited consolidated financial statements for the year ended April 30, 2018 and the related "Management's Discussion and Analysis of Operations" ("MD&A").

Name of CNSX Issuer: **Quadron Cannatech Corporation** (the "Company", "Issuer" or "Quadron")

Trading Symbol: **QCC**

Number of Outstanding Listed Securities: **71,650,447 Common Shares**

Date: **June 6, 2019**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 - Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Quadron, through its wholly owned subsidiaries, provides turn-key extraction and processing solutions for the cannabis and hemp industries including proprietary industrial grade equipment, custom build processing facilities, ancillary products, and scientific services. Quadron delivers streamlined, cost effective and innovative solutions to help licensed growers, producers and processors develop market ready products all to achieve quicker ROI.

2. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

On May 2, 2019 the Company introduced the "Big BOSS" large scale cannabis co-solvent extraction system, the latest model of the Company's automated, next generation cannabis and hemp extraction systems. The Big BOSS is the Company's latest system that provides the same advantages as the distinguished BOSS CO2 extraction system, but with significantly larger processing capabilities.

On May 20, 2019, the Company introduced the "BIG BEAST", a fully automated, touch screen control continuous flow Ethanol Extractor System designed to toll process hemp or cannabis. The "BIG BEAST" is the latest addition to the BEAST family of extractors, with estimated processing capacity of up to 20,000 kg of biomass per day - over 5,000,000 kg of biomass annually. The Company announced that it is taking reservations for these systems.
