**MONTHLY PROGRESS REPORT**  
**For the Month of November 2018**

**PRECAUTIONARY NOTE**

All information presented herein is unaudited and prepared on the basis of preliminary information as available within four-trading days of the reporting date. Accordingly, this information may be subject to material adjustment on completion of any unaudited quarterly interim financial reports or the Company's annual audit. The information presented herein should be read in conjunction with the Company's interim consolidated unaudited condensed interim financial statements for the three months ended July 31, 2018, and the audited consolidated financial statements for the year ended April 30, 2018 and the related "Management's Discussion and Analysis of Operations" ("MD&A").

Name of CNSX Issuer: **Quadron Cannatech Corporation** (the "Company", "Issuer" or "Quadron").

Trading Symbol: **QCC**

Number of Outstanding Listed Securities: **71,650,447 Common Shares**

Date: **December 7, 2018**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

#### General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 - Interpretation and General Provisions.

#### Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Quadron operates through its three wholly owned subsidiaries, Soma Labs Scientific Inc. ("Soma Labs"), Greenmantle Products Limited ("Greenmantle"), and Cybernetic Control Systems Inc. ("Cybernetic"). Through its subsidiaries, Quadron delivers a variety of products and services structured to address the complex needs and requirements of cannabis industry participants in Canada, as well as a variety of other sectors. Quadron's principal focus is on the design and production of automated cannabis extraction and processing equipment (via Soma Labs). In addition, the Company distributes ancillary products, such as customized dispensing devices (i.e. vaporizer pens) along with a variety of packaging options (via Greenmantle). Quadron's subsidiary, Cybernetic, specializes in providing equipment automation services, control solutions and process manufacturing expertise to a variety of industry sectors.

2. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

On November 8, 2018, Quadron announced that is in the final stages of development and innovative engineering of "the BEAST" – a fully automated, touch screen control, continuous flow Ethanol Extraction System, which can process massive amounts of biomass for the cannabis industry.

3. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

None.
