

RAVENQUEST ANNOUNCES CHANGES TO BOARD OF DIRECTORS

NR19-26

November 27, 2019

November --, 2019 – Vancouver, British Columbia – RavenQuest BioMed Inc. (CSE: RQB OTCQB: RVVQF Frankfurt: IIT) (the “Company” or “RavenQuest”), today announced that Usama Chaudhry and Jatinder Dhaliwal have been appointed directors of the Company. Mr. Chaudhry has also been appointed as interim CFO for the Company. Full bios for each gentleman can be found below. RavenQuest further announces the resignations from the board of Anton Drescher, Hendrik van Alphen and David Cross, CFO.

“As our Company continues to evolve, we see it as utmost importance to ensure our board is comprised of those that can most help our Company grow the business and achieve our potential” said George Robinson, RavenQuest CEO. “I am confident that RavenQuest’s long term growth priorities will be well-served by these changes, providing new leadership as we work toward profitability in 2020. David Cross will provide advisory accounting services to ensure a smooth transitional period while we complete our year-end financials” Robinson continued.

“RavenQuest wishes to thank Messrs. Drescher, van Alphen and Cross for their contribution to RavenQuest. As we grew our technology from a concept into a scaled-up reality, they provided key guidance through our nascent development years” stated Robinson.

Usama Chaudhry

Mr. Chaudhry is an experienced businessman who will join the board as an independent director. Mr. Chaudhry sits on a number of public company boards and specializes in executive management services, including corporate development, investor relations, financial reporting, company filings, budgeting and overseeing corporate governance, while achieving company objectives and maintaining internal cost controls.

Jatinder Dhaliwal

Jatinder "Jay" Dhaliwal is a registered pharmacist and intern CEO of Global Health Clinics. He extensive knowledge agricultural, medical and pharmaceutical operations. Jay holds a bachelor of pharmacy from the University of British Columbia and a bachelor of science in biology from the University of Victoria. Jay is a certified medical cannabis practitioner. “I have seen first hand the benefits medical cannabis provides patients. I believe every patient that qualifies should be given the opportunity to use this life changing treatment and we need to work to change the stigma around it.”
