(CSE: SKLL) (“**Royal Wins**” or the “**Company**”) is pleased to announce that the Company has signed a Memorandum of Understanding (“**MOU**”) to acquire Antics Gaming LLC (“**Antics**”), a Las Vegas, Nevada based developer of skill-based games for Android and iOS platforms.

The acquisition of Antics is the first in a series of expected acquisitions to build and grow the Royal Wins business model as described in its July 12, 2021 Non-Offering Prospectus and will be a significant building block in Company’s global development strategy. Continuing, “and working with a creative force like Becky Harris will assist Royal Wins in remaining current with gaming trends and on top of the ever-evolving development landscape as we expand and diversify our portfolio of games.”

Under the terms of the MOU, Royal Wins will secure a period of exclusive negotiation by way of a non-refundable deposit to be credited against the final acquisition terms. The Company anticipates completion of a Purchase and Sale agreement by the end of August 2021.
