WEEKEND UNLIMITED COMPLETES ACQUISITION OF JAMAICAN ASSETS

With Tier-3 Cultivator's Licence, Jamaican tourism and export markets to be active in Q2, 2019

Vancouver, BC, CANADA (20 February 2019) – Weekend Unlimited Inc. (“Weekend” or the “Company”) (CSE: POT – FSE: 00S1 – OTCMKTS: WKULF) having announced the signing of a definitive agreement on 13 February 2019 to acquire R&D Pharma’s Jamaican interests, has completed the arms-length acquisition of R&D Pharma.

“We are thrilled to join the tremendous team at Weekend Unlimited under Paul Chu’s leadership. With our Tier-3 cultivators license, our active focus is on medical tourism in Jamaica, having designed and constructed the first of our ‘Ganja Café’s’ within a short tour bus ride from the cruise ship terminals in Ocho Rios,” said Richard Bailey, President of R&D Pharma.

“We just completed a harvest last week on our 98-acre property to stock the Ganja Café for first tourism visits beginning on May 15th. The Ganja Café will be stocked with branded Jamaican strains, extracts, and infused products that will serve as a precursor to our future wholesale distribution in Jamaica and internationally,” added Mr. Bailey

Weekend issued 80 million shares at a deemed price of \$0.25 as well as making available 25 million warrants to the shareholders of R & D Pharma. Each warrant entitles the holder to acquire an additional share for \$0.35 for a period of 2 years. Approximately 49 million shares are subject to a voluntary escrow agreement that sees 20% released at closing and the balance in 6 equal instalments over 3 years.

Forward Looking Statements

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, business strategy, use of proceeds, corporate vision, proposed acquisitions, partnerships, joint-ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions and dependence upon regulatory approvals. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by securities laws.
