Singapore, June 30, 2020 – Raffles Financial Group Limited (**CSE: RICH**) (**Frankfurt: 4VO**) (**OTC:RAFF**) (“Raffles” or “the Company”) today announced that it has been included in the Top 10 ranking of the CSE Composite Index® and the CSE25™ Index, which are the two major indices under the Canadian Securities Exchange.

“We are honoured to be included with this prestigious group of companies on the Canadian Securities Exchange {CSE}, ranking #1 on the Diversified Industries section and one of Top 10 on the CSE25™ and CSE Composite Index®,” said Chairman Dr. Charlie In. “This is a significant milestone for Raffles Financial, which has been providing public listing services to high-growth and profit-generating companies across Asia Pacific. We’d like to thank the CSE for the recognition as well as all our partners & collaborators who have contributed to the success of this company. Our addition to the CSE25™ would not be possible without the support of our shareholders, for whom we will continue to give our best in building a better Raffles in years to come.”

The CSE25 Index

CSE25™ is a subset of the CSE Composite Index. It contains the securities of the twenty-five largest index companies by market capitalization. This sub-index contains over 52.75% of the total weight of the Composite Index.

The CSE Composite Index

CSE Composite Index® is a broad indicator of market activity for the Canadian Securities Exchange (CSE). With approximately 75% coverage of all equities listed on the CSE, it is an uniquely positioned gauge of the Canadian small cap market. The index provides a distinctly different risk/return profile than the broad Canadian equity market.
