REPORT ON BUSINESS

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Issuer continued in marketing activities primarily to introduce and to demonstrate its C Series to various interested parties within industry, with an emphasis on the Mexico marketplace and the eastern Canadian ocean environment.

The Issuer continued to demonstrate the concept of the C Series to consultants who specialize in industry awareness and securing financial support from various potential stakeholders, and to various capital market members.

The Issuer spent considerable time and effort to market the C Series technology, and it's first completed C160 commercial unit. It is anticipated that the C160 will be demonstrated and sufficient data accumulated in order to satisfy a potential customer and potential Joint Venture partners in Mexico.

The Issuer also continues to market the P Series oil recovery platform concept, which is designed to address the oil-production settling pond market primarily in Mexico.

2. Provide a general overview and of the activities of management.

Management of the Issuer engaged in activities primarily related to the introduction and demonstration of the C Series and P Series to parties interested in the commercial application of the technology.

In conjunction with marketing of the C Series technology to industry participants, management met with capital market participants, and in addition, with consultants who specialize in the securing of government sponsored loan and grant programs, and securing sufficient equity capital for the continued development of additional commercial C Series models, including sizes and designs capable of mechanical recovery of oil spilled on lakes, rivers, and also in other oil/water separation applications.
