

## FORM 7

### MONTHLY PROGRESS REPORT

Name of Listed Issuer: Rubicon Organics Inc. (the "Issuer").

Trading Symbol: ROMJ

Number of Outstanding Listed Securities: 36,811,425

Date: August 1, 2019

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**July 12, 2019** – *The Company announced that it will hold its annual general and special meeting (the "Meeting") of shareholders at the Terminal City Club, Walker Room, on August 2, 2019 at 10:00 am PT. The record date for the annual general meeting is June 28, 2019. The notice of meeting, accompanying management*

proxy circular and related meeting materials are now available under the company's profile on SEDAR.

**July 12, 2019** – The Company announced that it has entered into a term loan agreement (the “Loan”) pursuant to which it has borrowed \$500,010 from certain lenders (the “Lenders”). The Loan is for a term of 24 months and bears interest at a rate of 12% per annum. In connection with the Loan, the Company issued the Lenders a total of 100,002 common share purchase warrants (“Warrants”). Each Warrant entitles the Lender to acquire one common share of the Company (a “Common Share”) at an exercise price of \$4.50 per Common Share and expire on July 12, 2022. The Loan will be used to facilitate operations at the Company’s flagship Delta Facility and for working capital and other general corporate purposes.

**July 12, 2019** – The Company announced that it has granted stock options for a total of 166,000 common shares to employees and consultants of the company in accordance with the company's equity incentive plan. The stock options are exercisable at \$3.25 per share for a period of five years from the date of grant.

**July 16, 2019** – The Company announced that it has received organic certification from the Fraser Valley Organics Producers Association (“FVOPA”) at its flagship 125,000-square-foot hybrid greenhouse facility in Delta, BC. As a result, the Company is now positioned to supply certified organic, super-premium cannabis grown at scale to a market where organic products are in high demand, short supply and priced at significant premiums.

**July 17, 2019** – The Company announced that it is the first cannabis company in Canada to receive Environmental Farm Plan (“EFP”) certification from the British Columbia Ministry of Agriculture, thereby being recognized as an industry leader for its commitment to sustainability and environmental best practices. The EFP is a rigorous government audited process that acknowledges excellence in agricultural production with regards to the environment and human health.

2. Provide a general overview and discussion of the activities of management.

*In Canada, Management continues to oversee the optimization of the Delta Greenhouse with first commercial harvest expected in September 2019.*

*In Washington, Management continues to lease a turnkey cultivation facility to a state-licensed tenant. The state licensed tenant is applying Rubicon Organics’ cultivation methodology and is ramping up production since completing its first commercial harvest in April 2019.*
