

## FORM 7

### MONTHLY PROGRESS REPORT

Name of Listed Issuer: Rubicon Organics Inc. (the "Issuer").

Trading Symbol: ROMJ

Number of Outstanding Listed Securities: 45,733,872

Date: July 2, 2020

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**June 4, 2020** – *The Company announced that it has closed the second and final tranche of its previously announced upsized non-brokered private placement of 851,064 units of the Company ("Units") at a price of \$2.35 per Unit for aggregate gross proceeds of \$2.0 million (together with the first tranche, the "Offering"). In*

aggregate, the Company has raised a total of \$13.5 million under the first and second tranches of the Offering.

**June 15, 2020** – The Company announced that it has signed direct supply agreements with both Alberta Gaming, Liquor & Cannabis (“AGLC”) and the British Columbia Liquor Distribution Branch (“BCLDB”) for the sale and distribution of Simply Bare™ Organic cannabis to provincial and private cannabis retailers.

**June 18, 2020** – The Company announced that it has signed a direct supply agreement with the Ontario Cannabis Store (“OCS”) for the sale and distribution of Simply Bare™ Organic cannabis to provincial and private cannabis retailers. Rubicon Organics now has direct supply agreements in place for British Columbia, Alberta and Ontario, and a distribution arrangement with Agro-Greens Natural Products Ltd. (“Agro-Greens”) to continue to sell our cannabis products in Saskatchewan and Manitoba.

**June 22, 2020** – The Company announced that it has signed a product supply agreement (the “Agreement”) with canacur GmbH, a medical cannabis distributor incorporated in Nuremburg, Germany (“Canacur”). Pursuant to the Agreement, Canacur shall purchase dried cannabis from Rubicon Organics for an initial term of three years, with two optional two-year extensions available. As part of the Agreement, Canacur has agreed to provide the Company up to \$700,000 as advance payment for product, which will be secured behind existing secured lenders on the Company’s facility in Delta, British Columbia. This advance payment will assist the Company to prepare for EU-GMP processing and certification. The Company expects first exports in the first half of 2021, pending EU-GMP certification.

2. Provide a general overview and discussion of the activities of management.

Since March 2020, all cultivation compartments at the Delta Facility have been in cultivation and the Company has completed several harvests of cannabis flower. As of May 11, 2020, the Company’s Delta Facility is fully licensed to cultivate, process and sell cannabis products from both its 125,000 sq. ft. hybrid greenhouse and 11-acre outdoor grow site for recreational and medical use.

As of June 18, 2020, the Company has direct supply agreements in place for British Columbia, Alberta and Ontario, and a distribution arrangement with Agro-Greens to continue to sell our cannabis products in Saskatchewan and Manitoba.

Rubicon has completed its ramp up phase and is now entering steady state production and is focusing on refining its processes and procedures and launching its innovation pipeline. Rubicon’s focus now is the ramp up of its processing and packaging of its products for sale. The Company plans to invest further in its facility in 2020 with additional lights, capital equipment that assist with delivering high quality cannabis and those that deliver operating and cost efficiencies as well as a pilot scale outdoor grow site.

Given the COVID-19 pandemic, Rubicon has formed a COVID-19 Committee and it has reviewed all critical supplies for three-months of operations, and increased hygiene protocols such as hand washing, mask wearing when appropriate, social distancing and fever scanning. In the current environment, the Company has

*prioritized risk-mitigation and business continuity planning for the safety of the team, community and maintenance of on-going operations.*

*On April 6, 2020, the Company announced its strategic exit from the US in order to focus exclusively on its Canadian operations. Management will continue to sell its remaining US assets and commence winding down its US entities over the coming months. Effective May 15, 2020, the Company terminated its lease on the extraction lab in Washington and sold all related cannabis extraction equipment, thereby ceasing all ancillary services to the cannabis industry in the US.*

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.
