

## FORM 7

### **MONTHLY PROGRESS REPORT**

Name of Listed Issuer: **ShiftCarbon Inc.** (the "Issuer").

Trading Symbol: **SHFT**

Number of Outstanding Listed Securities: **72,605,026**

Date: **April 4, 2023** (for the month of March 2023)

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**During the month of March 2023, the Issuer continued business development activities and new product development activities.**

On March 7, 2023, the Issuer announced the launch of a new cloud platform designed for measurement, reporting, and verification (MRV) automation of carbon offset projects.

The new MRV automation platform aims to promote and make the creation of voluntary carbon credits easier, more transparent, and more accessible by significantly reducing the cost and complexity of data collection for some of these projects. The Issuer's world-class IoT offering is at the core of the new MRV automation platform. This platform marks a major milestone in the Issuer's effort to achieve more accurate MRV, combat climate change, and promote the opportunity of carbon credits to a broader market.

Furthermore, the Issuer also announced that it had granted 500,000 stock options (the "Options") to its independent director, Murray Tevlin, at an exercise price of \$0.10 per common share, expiring two years from the date of grant; and 500,000 stock Options to a certain consultant of the Issuer at an exercise price of \$0.10 per common share expiring five years from the date of the grant.

On March 30, 2023, the Issuer announced the beta launch of its highly anticipated carbon credit trading platform.

The aforementioned news releases can be viewed under the Issuer's profile on SEDAR ([www.sedar.com](http://www.sedar.com)) and on the Issuer's Disclosure Page on the Canadian Securities Exchange's website ([www.thecse.ca](http://www.thecse.ca)).
