Notwithstanding anything else contained herein, in no case will an Option be exercisable later than the Expiry Date of the Option.

#### 5.5 **Vesting of Option and Acceleration**

### 7.3 **Issue of Share Certificates**

If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall also provide a new Option Certificate for the balance of Shares available under the Option to the Option Holder concurrent with delivery of the Shares.

### 7.4 **No Rights as Shareholder**

Until the date of the issuance of the certificate for the Shares purchased pursuant to the exercise of an Option, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to such Shares, notwithstanding the exercise of the Option, unless the Committee determines otherwise. In the event of any dispute over the date of the issuance of the Shares, the decision of the Committee shall be final, conclusive and binding.

Notwithstanding anything else contained in this Plan, the Company may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law. Without limiting the generality of the foregoing, an Option Holder who wishes to exercise an Option must, in addition to following the procedures set out in section 7.1 and elsewhere in this Plan, and as a condition of exercise:

- (a) deliver a certified cheque, wire transfer or bank draft payable to the Company for the amount determined by the Company to be the appropriate amount on account of such taxes or related amounts; or
- (b) otherwise ensure, in a manner acceptable to the Company (if at all) in its sole and unfettered discretion, that the amount will be securely funded;
- (c) and must in all other respects follow any related procedures and conditions imposed by the Company.

## **SECTION 9 APPROVALS AND AMENDMENT**

### 9.1 **Shareholder Approval of Plan**

If required by a Regulatory Authority or by the Committee, this Plan may be made subject to the approval of the shareholders of the Company as prescribed by the Regulatory Authority. If shareholder approval is required, any Options granted under this Plan prior to such time will not be exercisable or binding on the Company unless and until such shareholder approval is obtained.

### 9.2 **Amendment of Option or Plan**

Subject to any required Regulatory Approvals, the Committee may from time to time amend any existing Option or the Plan or the terms and conditions of any Option thereafter to be granted provided that where such amendment relates to an existing Option and it would:

- (a) materially decrease the rights or benefits accruing to an Option Holder; or
- (b) materially increase the obligations of an Option Holder; then, unless otherwise excepted out by a provision of this Plan, the Committee must also obtain the written consent of the Option Holder in question to such amendment. If at the time the Exercise Price of an Option is reduced the Option Holder is an Insider of the Company, the Insider must not exercise the option at the reduced Exercise Price until the reduction in Exercise Price has been approved by the disinterested shareholders of the Company, if required by the Exchange.

## **SECTION 10**

### **CONDITIONS PRECEDENT TO ISSUANCE OF OPTIONS AND SHARES**

#### **10.1 Compliance with Laws**

An Option shall not be granted or exercised, and Shares shall not be issued pursuant to the exercise of any Option, unless the grant and exercise of such Option and the issuance and delivery of such Shares comply with all applicable Regulatory Rules, and such Options and Shares will be subject to all applicable trading restrictions in effect pursuant to such Regulatory Rules and the Company shall be entitled to legend the Option Certificates and the certificates for the Shares or the written notice in the case of uncertificated Shares representing such Shares accordingly.

#### **10.2 Regulatory Approvals**

In administering this Plan, the Committee will seek any Regulatory Approvals which may be required. The Committee will not permit any Options to be granted without first obtaining the necessary Regulatory Approvals unless such Options are granted conditional upon such Regulatory Approvals being obtained. The Committee will make all filings required with the Regulatory Authorities in respect of the Plan and each grant of Options hereunder. No Option granted will be exercisable or binding on the Company unless and until all necessary Regulatory Approvals have been obtained. The Committee shall be entitled to amend this Plan and the Options granted hereunder in order to secure any necessary Regulatory Approvals and such amendments will not require the consent of the Option Holders under section 9.2 of this Plan.

#### **10.3 Inability to Obtain Regulatory Approvals**

The Company's inability to obtain Regulatory Approval from any applicable Regulatory Authority, which Regulatory Approval is deemed by the Committee to be necessary to complete the grant of Options hereunder, the exercise of those Options or the lawful issuance and sale of any Shares pursuant to such Options, shall relieve the Company of any liability with respect to the failure to complete such transaction.

## **SECTION 11**

### **ADJUSTMENTS AND TERMINATION**

#### **11.1 Termination of Plan**

Subject to any necessary Regulatory Approvals, the Committee may terminate or suspend the Plan. Unless earlier terminated as provided in this section 11, the Plan shall terminate on, and no more Options shall be granted under the Plan after, the tenth anniversary of the date of the Exchange's acceptance of the Plan.

#### **11.2 No Grant During Suspension of Plan**

No Option may be granted during any suspension, or after termination, of the Plan. Suspension or termination of the Plan shall not, without the consent of the Option Holder, alter or impair any rights or obligations under any Option previously granted.

### 11.3 **Alteration in Capital Structure**

If there is a material alteration in the capital structure of the Company and the Shares are consolidated, subdivided, converted, exchanged, reclassified or in any way substituted for, the Committee shall make such adjustments to this Plan and to the Options then outstanding under this Plan as the Committee determines to be appropriate and equitable under the circumstances, so that the proportionate interest of each Option Holder shall, to the extent practicable, be maintained as before the occurrence of such event. Such adjustments may include, without limitation:

- (a) a change in the number or kind of shares of the Company covered by such Options; and
- (b) a change in the Exercise Price payable per Share provided, however, that the aggregate Exercise Price applicable to the unexercised portion of existing Options shall not be altered, it being intended that any adjustments made with respect to such Options shall apply only to the Exercise Price per Share and the number of Shares subject thereto.

For purposes of this section 11.3, and without limitation, neither:

- (a) the issuance of additional securities of the Company in exchange for adequate consideration (including services); nor
- (b) the conversion of outstanding securities of the Company into Shares shall be deemed to be material alterations of the capital structure of the Company. Any adjustment made to any Options pursuant to this section 11.3 shall not be considered an amendment requiring the Option Holder's consent for the purposes of section 9.2 of this Plan.

### 11.4 **Triggering Events**

Subject to the Company complying with section 11.5 and any necessary Regulatory Approvals and notwithstanding any other provisions of this Plan or any Option Certificate, the Committee may, without the consent of the Option Holder or Holders in question:

- (a) cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event; or
- (b) cause all or a portion of any of the Options granted under the Plan to be exchanged for incentive stock options of another corporation upon the occurrence of a Triggering Event in such ratio and at such exercise price as the Committee deems appropriate, acting reasonably.

Such termination or exchange shall not be considered an amendment requiring the Option Holder's consent for the purpose of section 9.2 of the Plan.

### 11.5 **Notice of Termination by Triggering Event**

In the event that the Committee wishes to cause all or a portion of any of the Options granted under this Plan to terminate on the occurrence of a Triggering Event, it must give written notice to the Option Holders in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Option Holder the opportunity to exercise the vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Company proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Options may have otherwise been subject. Furthermore, if any of the Options granted under this Plan are cancelled prior to their Expiry Date, the Company shall not grant new Options to the same Persons or Entities until 30 days have lapsed from the date of cancellation.

### 11.6 **Determinations to be Made By Committee**

Adjustments and determinations under this section 11 shall be made by the Committee, whose decisions as to what adjustments or determination shall be made, and the extent thereof, shall be final, binding, and conclusive.

## SECTION 12 U.S. SECURITIES LAWS MATTERS

### 12.1 **No U.S. Securities Act Registration**

Neither the Options nor the Shares which may be acquired pursuant to the exercise of the Options have been registered under the U.S. Securities Act or under any securities law of any state of the United States and are considered “restricted securities” (as such term is defined in Rule 144(a)(3) under the U.S. Securities Act and any Shares shall be affixed with an applicable restrictive legend as set forth in the Option Certificate. The Options may not be offered or sold, directly or indirectly, in the United States except pursuant to registration under the U.S. Securities Act and the securities laws of all applicable states or available exemptions therefrom, and the Company has no obligation or present intention of filing a registration statement under the U.S. Securities Act in respect of any of the Options or the Shares underlying the Options, which could result in such U.S. Option Holder not being able to dispose of any Shares issued on exercise of Options for a considerable length of time.

The undersigned (a) acknowledges that the sale of \_\_\_\_\_ (the "**Securities**") of the Company, represented by certificate number \_\_\_\_\_, to which this declaration relates is being made in reliance on Rule 904 of Regulation S ("**Regulation S**") under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**"), and (b) certifies that (1) the undersigned is not (A) an "affiliate" of the Company (as that term is defined in Rule 405 under the U.S. Securities Act), (B) a "distributor" as defined in Regulation S or (C) an affiliate of a distributor; (2) the offer of such securities was not made to a person in the United States and either (A) at the time the buy order was originated, the buyer was outside the United States, or the seller and any person acting on its behalf reasonably believed that the buyer was outside the United States, or (B) the transaction was executed on or through the facilities of the Toronto Stock Exchange, the TSX Venture Exchange, the Canadian Securities Exchange or another "designated offshore securities market", and neither the seller nor any person acting on its behalf knows that the transaction has been prearranged with a buyer in the United States; (3) neither the seller nor any affiliate of the seller nor any person acting on any of their behalf has engaged or will engage in any "directed selling efforts" in the United States in connection with the offer and sale of such securities; (4) the sale is bona fide and not for the purpose of "washing off" the resale restrictions imposed because the securities are "restricted securities" (as such term is defined in Rule 144(a)(3) under the U.
