Name of Listed Issuer: **Spod Lithium Corp. (the “Issuer”, the “Company”, or “SPOD”)**

Trading Symbol: **SPOD**

Number of Outstanding Listed Securities: **50,468,715**

Date: **April 5, 2023**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer’s obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer’s ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term “Issuer” includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer’s business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Spod Lithium Corp. is a mineral exploration company focused on the acquisition and development of mineral properties containing battery, base, and precious metals.

On March 2, 2023, the Company provided an exploration update on its Northwestern Ontario Lithium Projects. The results from a reconnaissance exploration program on the Niemi Pegmatite Project, carried out in the fall of 2022, confirmed lithium bearing pegmatites near the historic Niemi Occurrence (Ontario Geological Survey MDI42E05SW00017). The geological study was conducted in conjunction with a site visit for an upcoming NI 43-101 technical report which will focus on the Niemi and North Nipigon. The NI 43-101 report is nearly complete and will be submitted for review in the coming weeks.

On March 28, 2023, the Company filed its financial statements for the quarter ended January 31, 2023.

2. Provide a general overview and discussion of the activities of management.
See item 1 above.
3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.
See item 1 above.
