

## **GlobeX Data Ltd. CEO Interviewed about cyber security on WCPT-AM Radio (Chicago)**

August 9, 2019 – Vancouver, British Columbia. **GlobeX Data Ltd.** (“**GlobeX**” or the “**Company**”) (CSE: SWIS, SWIS.WT) is pleased to announce that its CEO, Alain Ghiai, has been interviewed by Joan Esposito on WCPT-AM Radio (Chicago) on the subject of cyber security and digital safety. The interview focused on the Capital One story, digital safety (in general) and how people can protect themselves.

WCPT is a Progressive Talk radio station licensed to Willow Springs, Illinois, and serving the Chicago metropolitan area. WCPT is owned by Newsweb Corporation. [www.wcpt820.com](http://www.wcpt820.com) .

The interview can be viewed on the following sites and links:

Joan Esposito is proud to be an official member of the terrific line up on WCPT AM 820, Chicago’s live local progressive talk station, where she has been a regular fill-in host.

Her goals are to make the show inclusive, topical, and interactive. She will react to the news of the day and find out what is happening in the neighborhoods around Chicago. She will talk about politics, issues, and culture and have some fun along the way.

Joan is a long time member of the Sag-Aftra Union and previously appeared on Chicago’s WGN Channel 9, ABC 7 and NBC 5 as both anchor and reporter. For more than 10 years she led a media training company that worked with local, national and international clients.

### **Forward Looking Information**

This news release contains certain forward-looking information within the meaning of applicable Canadian securities laws (“forward-looking statements”). All statements other than statements of present or historical fact are forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as “anticipate”, “achieve”, “could”, “believe”, “plan”, “intend”, “objective”, “continuous”, “ongoing”, “estimate”, “outlook”, “expect”, “project” and similar words, including negatives thereof, suggesting future outcomes or that certain events or conditions “may” or “will” occur. These statements are only predictions. These statements reflect management’s current estimates, beliefs, intentions and expectations; they

are not guarantees of future performance. GlobeX cautions that all forward-looking statements are inherently uncertain and that actual performance may be affected by a number of material factors, many of which are beyond GlobeX's control. Such factors include, among other things: risks and uncertainties relating to the future of the Company's business; the success of marketing and sales efforts of the Company; the projections prepared in house and projections delivered by channel partners; the Company's ability to complete the necessary software updates; increases in sales as a result of investments software development technology; consumer interest in the Products; future sales plans and strategies; reliance on large channel partners and expectations of renewals to ongoing agreements with these partners; anticipated events and trends; the economy and other future conditions; and other risks and uncertainties, including those described in GlobeX's prospectus dated May 8, 2019 filed with the Canadian Securities Administrators and available on [www.sedar.com](http://www.sedar.com). Accordingly, actual and future events, conditions and results may differ materially from the estimates, beliefs, intentions and expectations expressed or implied in the forward-looking information. Except as required under applicable securities legislation, GlobeX undertakes no obligation to publicly update or revise forward-looking information.

On behalf of the Board of Directors

Alain Ghiai
