

St-Georges Launches “CEO Verified” Discussion Forum On AGORACOM To Act As a Social Media Platform. Hosts First Live Shareholder Q&A Today

-FOR IMMEDIATE RELEASE-

Montreal, January 21, 2018 – St-Georges Eco-Mining Corp. (CSE: SX) (OTC: SXOOF) (FSE: 85G1) announces today that it has launched a “CEO Verified” Discussion Forum on AGORACOM. The forum will serve as a platform to post information and interact with both shareholders and the broader investment community in a fully moderated environment. As a part of the launch, St-Georges is holding a live shareholder Q&A at 3PM EST.

AGORACOM “CEO Verified” Discussion Forums provides the first ever identity verification of small cap executives on a finance platform. As a result, small cap CEO’s and company officers can post comments, videos and replies to shareholders without the risk of impersonation. Company posts are shareable on Twitter, Facebook and LinkedIn. Moreover, CEO Verified Discussions are moderated under the [AGORACOM 6 Rules Of Use](#).

MODERATED & CONSTRUCTIVE DISCUSSION

As the ultimate influencers of their own companies, “CEO Verified” Forums create incredible levels of engagement between companies and shareholders that have long desired constructive and factual conversation, with no limitations as to the number of characters. To this end, there are no log-in requirements for shareholders and prospective investors to simply read posts. Those wishing to post questions, comments and interact with company officers can quickly log-in using their Facebook or LinkedIn accounts, or create an anonymous new user account. (*Note – Facebook Login Is Temporarily Non-Functional).

The St-Georges Discussion Forum can be found at <https://agoracom.com/ir/St-GeorgesEco-MiningTechnologies/forums/discussion> Verified officers at launch are:

- Mark Billings – Chairman
- Frank Dumas – President and CEO

LIVE SHAREHOLDER Q&A – JANUARY 21 AT 3PM EASTERN STANDARD TIME

As part of the launch, St-Georges will be hosting a Live Shareholder Q&A on Sunday, January 21 at 3PM EST. George Tsiolis of AGORACOM will be hosting a live webcast in which Mr. Dumas will be answering investor questions posted to AGORACOM. The direct link to the webcast is <https://agoracom.com/ir/St-GeorgesEco-MiningTechnologies/forums/discussion/topics/703402-st-georges-shareholder-q-a-broadcast-page-sunday-january-21-2018-at-3pm-est/messages/2183302#message>

Investors can post their questions at any time, through to the end of the Q&A – but are asked to limit their questions to a total of 3 to give other shareholders a chance to ask questions. Moreover, shareholders are asked to read previous questions

About AGORACOM

[AGORACOM](#) is the pioneer of online marketing, broadcasting, conferences and investor relations services to North American small and mid-cap public companies, with more than 250 companies served. AGORACOM is the home of more than 767K investors that visited 5.4 million times and read 51.5 million pages of information every year. The average duration of visit of 8min 43sec is more than double that of global financial sites, which can be attributed to the implementation and enforcement of the strongest moderation rules in the industry (All Metrics Average 2008 - 2016).

AGORACOM traffic ranks within the top 0.5% of all websites around the world. These traffic results are independently tracked and verified by Google analytics. AGORACOM traffic can be attributed to implementation of the first ever [Investor Controlled Stock Discussion Forums in 2017](#). 10 years later, in 2017, AGORACOM launched the first ever “CEO Verified” Discussion Forums to allow Small Cap CEO’s and Company officers to post comments in a fully verified, moderated and social media shareable environment.

ON BEHALF OF THE BOARD OF DIRECTORS

“Frank Dumas”

FRANK DUMAS, PRESIDENT & CEO
