

**ST-GEORGES ADDS LEGENDARY FINANCIER SHELDON INWENTASH TO  
ADVISORY BOARD**

-FOR IMMEDIATE RELEASE-

**Montreal, Quebec, December 31, 2017 – St-Georges Eco-Mining Corp. (CSE: SX) (OTC: SXOOF) (FSE: 85G1)** is pleased to announce the appointment of Sheldon Inwentash, President and CEO of ThreeD Capital Inc. (IDK:CSE) to its Advisory Board.

Mr. Inwentash has more than 30 years of investing experience and success, financing hundreds of private and public start-up companies. The Financial Post called him a “A World Leader in financing junior resource firms”. In 1994, he co-founded Visible Genetics, the first commercial pharmacogenomics company and exited in 2001 to Bayer. Through two decades leading Pinetree Capital, Mr. Inwentash created significant shareholder value through early investments and subsequent exits in companies such as Queenston Mining (acquired by Osisko Mining Corp. for \$550-million), Aurelian Resources (acquired by Kinross for \$1.2-billion) and Gold Eagle Mines (acquired by Goldcorp for \$1.5-billion), with the firm’s market capitalization exceeding \$1 Billion at its peak.

As the Founder, Chairman and CEO of ThreeD Capital, Mr. Inwentash has set his firm’s focus on companies in the junior resources, artificial intelligence and blockchain sectors, with meaningful investments and partnerships in each. ThreeD Capital recently launched Blockamoto.io, an early stage investor platform that supports companies who use blockchain to enhance the value of new and existing ventures.

Frank Dumas, CEO of St-Georges stated "Sheldon brings unparalleled knowledge, experience and success to St-Georges at a critical juncture of our development. I welcome him to our team and look forward to working closely with him in 2018 and beyond."

“It is a pleasure to join St-Georges as an Advisor. I look forward to working with Frank and his team on the Company’s interests in Iceland, green technology initiatives and mining & commodities industry related technology.”
