

SoLVBL Solutions Receives Notice of Allowance from USPTO for its Patent Application for Authentication Seal for Immutable Transactions

Toronto, ON – September 14, 2021 – SoLVBL Solutions Inc. (“**SoLVBL**” or the “**Company**”) (CSE:SOLV) is pleased to announce that the United States Patent and Trademark Office (USPTO) has issued a Notice of Allowance for the Company’s U.S. Patent Application No.: 16/745,664, Method and System for Authentication Seal Development in Immutable transactions.

The notice of allowance means that the USPTO would issue the patent after certain formal steps have been completed.

This confirms Q by SoLVBL™’s intellectual property is both unique and will be protected. The application of the patent allows Q by SoLVBL™ to create the following attributes: Identity, attribution, integrity, completeness, confidentiality and portability. Further information regarding independent third-party cryptographic validation provided by Dr. Sonam Kaul and announced by SoLVBL last week and can be found on our website at SoLVBL.com.

“Building strong intellectual property protection around our assets is a key element of our value creation strategy. This new patent confirms the uniqueness of SoLVBL™ and its attributes of authenticating data at high-speed with confidence. We look forward to building on our patent portfolio as we continue to grow”, said Raymond Pomroy, CEO of SoLVBL Solutions.
