

Sportsflare Announces Licensing Agreement with U.S. Daily Fantasy Sportsbook No House Advantage

Toronto, Ontario - (November 1, 2022) - Tiidal Gaming Group Corp. (CSE: TIDL) (OTCQB: TIIDF) ("Tiidal Gaming" or the "Company"), a leading esports and gaming platform company, is pleased to announce that Sportsflare, a wholly-owned division of Tiidal Gaming, has signed a licensing agreement with No House Advantage, LLC ("No House Advantage"), a U.S.-based daily fantasy company.

No House Advantage offers the most dynamic fantasy sports wagering platform, which includes player proposition betting solutions ("player props") that focuses on leading North American sport franchises, namely the NFL, NBA and MLB. No House Advantage intends to extend its product suite to target esports fans and as a result, it has decided to license Sportsflare's technology offerings. Through the partnership, Sportsflare will provide No House Advantage with access to its market-leading player props for immensely popular esports titles such as CS:GO, Dota 2 and League of Legends in exchange for a monthly licensing fee.

"No House Advantage is a unique U.S. daily fantasy sports operator and we are pleased to partner with them," said Max Polaczuk, Chief Technology Officer of Tiidal Gaming. "This agreement is beneficial to the expansion of our operations as it enables us to solidify our footprint in the U.S. marketplace where we see a high demand for innovative esports fantasy and betting products. Our substantial player database and our player props products have caught the attention of the daily fantasy market, who see esports as a natural extension to their daily fantasy product line. We offer the best-in-class player props for popular video games and by delivering them to U.S. operators, we intend to replicate the success seen in traditional sports in the United States."
