Stevens Gold Terminates Millennium Property Option

VANCOUVER, B.C. June 18, 2021 - STEVENS GOLD NEVADA INC. (CSE:SG OTCQB:STVGF FSE:311) (the “Company” or “Stevens Gold”) announces that it has terminated the Millennium Property option agreement. Other than the transfer of property interests and removal of equipment from the Property, the Company will not have any further obligations to the Property or its owners as of June 18, 2021.

The Company has terminated the Millennium Property option agreement because it has discovered that the Permits are not sufficient to allow the Company to explore the Millennium Property and that curing the Permits’ deficiencies is not worth the overall cost.

Charles MaLette, CEO commented, “We are on the lookout for better mineral properties as an option or joint venture that can deliver for the Company and its shareholders.”
