(the "Issuer" or "Terranueva" or "Corporation").

Trading Symbol: **TEQ**

Number of Outstanding Listed Securities: **32,844,961**

Date: **March 5, 2020**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Terranueva is pursuing the certification process with Health Canada to obtain the right to sell finished goods in the recreational cannabis market. Terranueva has received from Health Canada the authorisation to make changes to its process to allow the product packaging to be processed in compliance with the Cannabis Regulations and to optimize its production flow.

Terranueva continues the cannabis production in its growing rooms and continues to improve growing practices to increase productivity and optimal results of cannabinoid profiling (THC/CBD) from our identified phenotypes.

Terranueva has now completed six harvest in its certification, research and development unit ("CRDU"). With all harvests, production yields have exceeded management expectation and quality is in accordance with specifications. The seventh harvest is scheduled for the beginning of March and samples expected to be sent for laboratory testing at the end of the month.

Terranueva has been in discussion with SQDC which, according to Terranueva management, still consider Terranueva as a full potential supplier.
