Vancouver, B.C. – (April 18, 2019) THC BioMed Intl Ltd. (CSE: THC), ("THC BioMed" or the "Company") announces that it has purchased an additional strata lot in the industrial complex in Kelowna it currently occupies. THC previously announced the purchase of additional strata units in this building in March and January of this year and in December, October and June of 2018. THC purchased this property as a part of its expansion plan due to high demand for its products.

The purchase price was \$375,000 plus fees and taxes, for a total of \$392,072.05. \$224,072.05 will be paid in cash and \$170,000 will be covered by a mortgage.

The new strata lot will be used for production purposes as part of THC BioMed's expansion plan.

Further details are included in the Form 10 filed with the Canadian Securities Exchange on April 17, 2019.

Forward-Looking Information:

This press release may include forward-looking information within the meaning of Canadian securities legislation, concerning the business of THC BioMed. Forward-looking information is based on certain key expectations and assumptions made by the management of THC BioMed. In some cases, you can identify forward-looking statements by the use of words such as "will," "may," "would," "expect," "intend," "plan," "seek," "anticipate," "believe," "estimate," "predict," "potential," "continue," "likely," "could" and variations of these terms and similar expressions, or the negative of these terms or similar expressions. Although THC BioMed

believes that the expectations and assumptions on which such forward-looking information is based are reasonable, undue reliance should not be placed on the forward-looking information because THC BioMed can give no assurance that they will prove to be correct. Forward-looking statements contained in this press release are made as of the date of this press release include that (a) the property will be used for production purposes, (b) THC's purchase of the properties is part of an expansion plan due to high demand for its products and, (c) THC BioMed will be in the forefront of this rapidly growing industry. THC BioMed disclaims any intent or obligation to update publicly any forward-looking information, whether as a result of new information, future events or results or otherwise, other than as required by applicable securities laws.
