#### Report on Business

- 1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.**

During the past month, the Issuer generally continued to market its pet products and to develop its pet products line in addition to construction on its cultivation facility in Lumby, British Columbia.

On June 7, 2018 the Issuer announced an update on construction at its North Okanagan site of True Leaf Campus in Lumby, British Columbia. The building permit was approved on May 30, 2018. Construction is on schedule to be completed by fall 2018.

On June 25, 2018 the Issuer announced that its pet line has received National Animal Supplement Council (NASC) Certification. The NASC Quality Seal program was developed after the U.S. Food and Drug Administration's 21CFR111 regulations for human dietary supplements, and the Food Safety Modernization Act, to give buyers and pet parents peace of mind that the products they are giving their beloved pets have passed rigorous certification standards. The Issuer received the NASC Seal after successfully passing a thorough quality audit and documentation review. As part of the certification, NASC ensures stringent ingredient qualification, quality production processes, adverse event reporting procedures, continuous product and data monitoring, and allowable product claims. The Issuer's True Hemp™ products will now display the NASC Seal.

On June 28, 2018 the Issuer announced strong revenue growth of 280% year over year for its True Hemp™ pet supplements. The Issuer has subsequently filed its audited annual financial statements for the year ended March 31, 2018 on SEDAR and the CSE.
