TARTISAN FILES ENHANCED DISCLOSURE FOLLOWING OSC STAFF REVIEW

Toronto, Canada, January 11, 2019 – Tartisan Nickel Corp. (CSE: TN, FSE: A2DPCM) (“Tartisan”, or the “Company”) announces that the Company has filed on Sedar updated Management Discussion & Analysis (“MD&A”) for the Company’s fiscal year ended 2018 and for Q1 2019. The Company has refiled the Q1 2019 Financial Statements as an omission occurred as a notation identifying that the Company’s auditor had not reviewed said Q1 2019 Financial Statements was inadvertently omitted. The refilings have occurred following a continuous disclosure review conducted by staff of the Ontario Securities Commission and in cooperation with the Company.

The updates include but are not limited to refiling of the MD&A for the fiscal year end 2018 and for Q1 2019. The additional detail provided relates to: mineral property descriptions, work conducted, contemplated project budgets, and clarifications pertaining to its accounting policy. Additional detail is also provided for general and administrative expenses, and for marketing and corporate finance activities. Additionally, the Company has retracted the “aged” Kenbridge Project preliminary economic assessment (originally filed on Sedar 2008 and amended 2010 by Canadian Arrow Mines Limited) from the Company’s website and corporate materials. The Company intends to provide an update to the NI 43-101 Technical Report later in Calendar 2019 specific to the Kenbridge Project.
