**PRESS RELEASE: FOR IMMEDIATE RELEASE**

**TARTISAN NICKEL CORP. ANNOUNCES INTENTION TO COMMENCE NORMAL COURSE ISSUER BID TO REPURCHASE UP TO 5% OF ITS COMMON SHARES**

**Toronto, Canada, March 10, 2021 – Tartisan Nickel Corp. (CSE:TN; US-OTC:TTSRF; FSE:A2D)** (“Tartisan”, or the “Company”) announces its intention to commence a normal course issuer bid (“NCIB”), under which the Company may purchase up to 5,246,456 of the Company’s common shares, representing approximately 5% of the issued and outstanding common shares of the Company.

Tartisan is commencing the “NCIB” because it believes that the underlying value of the Kenbridge Nickel Project, along with the Company’s portfolio holdings, are not adequately reflected in the market price of its common shares. Tartisan Nickel Corp. believes that the repurchase of its common shares for cancellation represents an appropriate use of the Company’s financial resources and will enhance shareholder value.

The “NCIB” is expected to commence on March 17, 2021 and terminate on March 17, 2022. All common shares purchased under the “NCIB” will be purchased on the open market through the facilities of the Canadian Securities Exchange (the “CSE”) and/or alternative trading systems. All purchases made under the “NCIB” will be at the prevailing market price for the common shares at the time of purchase. Common shares acquired by the Company under the “NCIB” will be cancelled. Tartisan Nickel Corp. has appointed Independent Trading Group (ITG) Limited as its broker to conduct the “NCIB” purchases on its behalf.
