

BevCanna's TRACE Line of Natural Alkaline Spring Waters Named as Official Water Supplier of Canadian E-Fest, Featuring the ABB FIA Formula E World Championship

TRACE Special Edition Formula E/Canadian E-Prix branded waters to be available in Canadian retailers in months leading up to highly anticipated festival

VANCOUVER, BC, September 29, 2021. Emerging leader in innovative health and wellness beverages and products, [BevCanna Enterprises Inc.](#) (CSE:BEV, [Q:BVNNE](#), FSE:7BC) ("**BevCanna**" or the "**Company**") is excited to announce that its market-leading TRACE line of natural alkaline spring waters will be the official Water Supplier of the Canadian E-Prix/ 2022 Vancouver E-Prix event, including the highly anticipated Formula E electric car race, part of the ABB FIA Formula E World Championship series.

The three-day [Canadian E-Fest](#) will welcome the ABB FIA Formula E World Championship, for the first time on the streets of Vancouver. The Canadian E-Fest will also offer plenty of action off-track beginning with a creative business conference on sustainability. Taking place on June 30 – July 2, 2022, the festival will feature a fan village, concerts by two top Canadian musical artists, and the pinnacle of the event, the Formula E electric car race, to be held on July 2 in Vancouver's False Creek.

As the official Water Supplier, TRACE's line of natural alkaline spring waters will be available at the event, including its unique mineralized black water. In keeping with the Canadian E-Fest's focus on sustainability, the TRACE waters will be sold in 100 per cent recyclable aluminum cans. TRACE will also act as the official recycling supplier for the Canadian E-Fest.

To celebrate the event, TRACE is partnering with Canadian E-Fest to produce a special edition Canadian E-Fest/Formula E branded version of its distinctive aluminum can, with a custom Formula E **TRACE** logo. The commemorative can will be available in Canadian retailers in the months leading up to the event.

"We're pleased to have been chosen as the official Water Supplier for this unique event," said Melise Panetta, President of BevCanna. "The Canadian E-Fest event, and especially the Formula E race, will be a highlight of Summer 2022 and we're thrilled to be a part of it. The Canadian E-Fest's commitment to sustainability and recycling is significant and we believe it is important to partner on this shared vision."

"BevCanna and TRACE are a perfect fit for Canadian E-Fest/Vancouver E-Prix's commitment to sustainability," said Matthew Carter, President and CEO, OSS Group. "As a local B.C. water company, bottling high-quality natural waters sourced from a B.C. aquifer, in fully recyclable containers, TRACE was a natural choice to be our water supplier."

About BevCanna Enterprises Inc.

[BevCanna Enterprises Inc.](#) (CSE:BEV, [Q:BVNNE](#), FSE:7BC) is a diversified health & wellness beverage and natural products company. BevCanna develops and manufactures a range of alkaline, plant-based, and cannabinoid beverages and supplements for both in-house brands and white-label clients.

With decades of experience creating, manufacturing and distributing iconic brands that resonate with consumers on a global scale, the team demonstrates an expertise unmatched in the nutraceutical and cannabis-infused beverage categories. Based in British Columbia, Canada, BevCanna owns a pristine alkaline spring water aquifer and a world-class 40,000-square-foot, HACCP certified manufacturing facility, with a bottling capacity of up to 210M bottles annually. BevCanna's extensive distribution network includes more than 3,000 points of retail distribution through its market-leading [TRACE](#) brand, its [Pure Therapy](#) natural health and wellness e-commerce platform, its fully licensed Canadian cannabis manufacturing and distribution network, and a partnership with #1 U.S. cannabis beverage company [Keef Brands](#).
