Report on Business

1. Provide a general overview and discussion of the development of the Issuer’s business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Company released the final assay results from surface reverse circulation drill holes around the La Dura mine on the Company’s Jabali concession. Please see news release dated June 10, 2021 for further details. No drilling at Jabali took place during the month of June.

Diamond drilling commenced on the San Javier Concession targeting the La Colorada gold bearing breccia pipe discovered by Tarachi in the November and December 2020 drilling program. See news release dated June 16, 2021 for further details. This drill program was completed in July with assay results from the drill samples still pending.

Restrictions remained in place regarding international travel to Mexico. This impacts the Company somewhat because it is more difficult for management to perform site visits as often as they would prefer to.

2. Provide a general overview and discussion of the activities of management.

The Company’s primary business is to identify and acquire mineral properties. Currently, the Company has an option to acquire a 100% interest in the group of mining concessions known as the Tarachi project located in the Sierra Madre Gold Belt of Eastern Sonora, Mexico. In 2021, the Company acquired the Magistral Mill and Tailings project located in Durango, Mexico.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.
