

Upco International Inc. Announces Two New Executives To Accelerate M&A Activities

Vancouver, BC, September 16, 2019, Upco International Inc. (CSE: UPCO) (OTCQB: UCCPF) (Frankfurt: U06) ("Upco") is pleased to announce that it has appointed Mr. Gerben Borsje to the Board of Directors of Upco Systems Inc. and has appointed Mr. Sebastiano Galantucci as its Chief Operating Officer. Upco Systems Inc. is a 100% owned subsidiary of Upco International Inc. Mr. Borsje is joining the Telecom Division of Upco to help drive the Mergers and Acquisitions (M&A) process initiated by Bardi and Co. Bardi Co. is a transnational boutique investment bank headquartered in Los Angeles, CA, USA and focuses on providing M&A, and corporate finance advisory services to growing middle market companies.

Mr. Borsje is a self-made sales and distribution driven entrepreneur. He has built various consumer brands on a global and pan-European scale. He has more than two decades experience and knowledge with fast moving consumer products. His capacity in building bridges and out-of-the-box thinking will be a tremendous asset to Upco. He has extensive experience with managing negotiations for commercial agreements on an international level.

Mr. Galantucci has extensive experience in business management. From traditional telecom sector to digital arena, he built a Digital Enabler with operations in London, Bahrain, Hong Kong and Manila. He has extensive experience in the M&A space particularly in the Telecom and Fintech area.

With the addition of Mr. Borsje and Mr. Galantucci, Upco is well positioned to accelerate its M&A activities and is targeting the US and European markets.

Mr. Andrea Pagani, CEO and President commented: "I'm very excited to work with an experienced team who will tremendously help in completing our vision. Bardi Co will also be providing great knowledge and expertise for Upco in the Capital Markets."

About Upco International Inc.

Upco International Inc. is a cloud-based mobile service company which provides high-quality voice termination to a market driven by the growing activity in online communications and commerce. Upco is a licensed Global Telecom Carrier within the international VoIP (voice over IP) wholesale business. Upco has designed a software application for Apple iOS and Android, similar to SKYPE and WhatsApp.
