VirtualArmour to Present at Cantech Investment Conference 2017

Vancouver, B.C. – (January 11, 2017) VirtualArmour International Inc. (the “**Company**”) (CSE:VAI), a leading cybersecurity and managed services solutions provider, is pleased to announce that the Company’s President, Matthew Brennan, will present at the Cantech Investment Conference 2017 at 10:30 AM ET on Wednesday, January 18, 2017, and will be available for questions at booth #202. The conference is being held at the Toronto Metro Convention Centre, located at 255 Front Street West.

About VirtualArmour

VirtualArmour is a multi-national cybersecurity and managed services company that delivers solutions to help enterprises build, monitor, maintain and secure their networks from cloud to core. VirtualArmour’s services run 24 hours per day, 7 days per week, 365 days per year through its primary security operations center (“SOC”) located in Middlesbrough, U.K. and a secondary SOC located in Salt Lake City, Utah. VirtualArmour uses best-in-breed partnerships to provide solutions for customers that are affordable, reliable, scalable, and backed by industry leading customer service and experience. VirtualArmour customers include a 13-location data center provider, a Fortune 100 oil and gas company, multiple service providers with presences throughout the United States, and household name enterprise organizations. Further information about the Company is available under its profile on the SEDAR website, www.sedar.com, on the CSE website, www.thecse.com, and on its website www.virtualarmour.com
