VirtualArmour Further Strengthens Business Development & Client Relations Expertise

Vancouver, B.C. – (March 28, 2017) Premier Managed Services Provider, VirtualArmour International Inc. (the “**Company**”) (CSE:VAI), is pleased to announce the appointment of Kyle Duffy as Director of Client Engagement.

Mr. Duffy comes to the role with over a decade of solution development and customer implementation experience across numerous industries including mining, manufacturing, energy, transportation, finance and healthcare.

During his extensive career, Mr. Duffy has developed strategic SaaS solutions for multiple Fortune 500 companies and secured, designed and executed multi-million dollar hardware and software implementations for companies in a variety of different verticals.

In his role at VirtualArmour, he will be responsible for expanding the Company’s services and solutions to existing clients as well as developing and implementing action plans to further strengthen customer retention and encourage advocacy of its premier customer experience.

Mr. Duffy said “VirtualArmour is a rising star within the fast growing Managed Services and Cybersecurity space and I’m incredibly excited to be a part of a company that is scaling their operations rapidly as a direct result of the exceptional service experience it delivers to every one of its clients.”

“We believe Kyle’s appointment will deliver significant value to our Company and its clients. His passion for problem-solving and ability to offer smart and pragmatic strategies is highly impressive and will increase value to our existing customers as well as allowing us to further drive growth through both new and existing clients,” said Russ Armbrust, Vice-President of Sales at VirtualArmour.
