

VirtualArmour Selected in Branham's Top 25 Movers and Shakers

VANCOUVER, British Columbia, June 20, 2017 (GLOBE NEWSWIRE) -- Premier Managed Services Provider, VirtualArmour International Inc. (the "**Company**") (CSE:VAI) (3V3:GR) has been ranked number seven in Branham's Top 25 Movers and Shakers list for 2017.

The Branham Group is a global Information and Communication Technology (ICT) industry analyst and strategic marketing company that has produced ranking of ICT companies in Canada for 24 consecutive years. These listings (www.branham300.com) also track the top ICT multinationals operating in Canada, plus Up and Comers, a select group of featured organizations assessed on their level of innovation and long-term promise. Branham Group's ranking is unique in Canada as it's the only comprehensive list that tracks both publicly held and privately owned companies

"We are very proud to be recognized among the top 10 'Movers and Shakers' in Canada and listed alongside a number of innovative and progressive companies," said Nick Dinsmoor, VP of Strategy for VirtualArmour. "As concerns around cybersecurity continue to gain consistent global attention, the demand for customizable solutions by enterprise clients is growing exponentially. Our skilled teams and proprietary prevention technologies have enabled us to capitalize on that demand and we're well positioned to continue to grow with the accelerating market," said Dinsmoor.

Global spending on cybersecurity products and services for defending against cybercrime is projected to exceed \$1 trillion cumulatively over the next five years, from 2017 to 2021, according to the Cybersecurity Market Report published by Cybersecurity Ventures.
