

VirtualArmour Appoints New Chief Financial Officer

VANCOUVER, British Columbia, Oct. 10, 2017 -- Premier Managed Services Provider, VirtualArmour International Inc. (the "Company") (CSE:VAI) (3V3:F) (VTLR:QB) announced today that it has appointed John Donaldson as its new Chief Financial Officer (CFO), effective October 9th.

Mr. Donaldson will take over from interim CFO, Todd Kannegieter - who will remain in his position as Company CEO - and will assume responsibilities for VirtualArmour's finance and administration functions including regulatory filings with Canadian and US securities exchanges.

Mr. Donaldson is a Colorado CPA with over 35 years experience serving small and large public companies. He has held senior positions, including that of Chief Accounting Officer, within technology companies since 1981 and comes to the role with considerable expertise in corporate governance, risk management, financial reporting, accounting, processes and internal control.

"We are very excited to have someone of John's caliber joining the VirtualArmour team," said Christopher Blisard, Chairman and Co-founder at VirtualArmour. "With the Company's recent expansion to the U.S. securities markets it has become more important than ever to have the right talent in place to support our continuing growth."

About VirtualArmour

VirtualArmour is an international cybersecurity and Managed Services provider that delivers customized solutions to help businesses build, monitor, maintain and secure their networks.

The Company maintains 24/7 client monitoring and service management with specialist teams located in its US and UK-based security operation centers ("SOC"). Through partnerships with best-in-class technology providers, VirtualArmour delivers only leading hardware and software solutions for customers that are both sophisticated and scalable, and backed by industry-leading customer service and experience. VirtualArmour's proprietary CloudCastr client portal and prevention platform provides clients with unparalleled access to real-time reporting on threat levels, breach prevention and overall network security.

VirtualArmour services a wide range of clients - which include those listed on the Fortune 500 - within several industry sectors, in over 30 countries, across five continents.
