

VirtualArmour to Feature Deception Expert at SecureWorld Conference

VANCOUVER, British Columbia, Oct. 30, 2017 -- Premier Managed Services Provider, VirtualArmour International Inc. (the "Company") (CSE:VAI) (3V3:F) announced today that it will be participating at the upcoming [SecureWorld](#) Cybersecurity Conference in Denver, Colorado.

The Conference, which will take place on November 1st - 2nd, 2017, will bring together experts across the Cybersecurity industry to discuss the changing threats, newest combative technologies, and opportunities to better protect businesses across all market segments.

As part of the event VirtualArmour will have a deception expert with a background in interpersonal communication and expertise in human hacking on hand to offer specialist guidance and advice. "The greatest threat in cybersecurity continues to be the human element," said Andrew Douthwaite, VP of Managed Services at VirtualArmour. "Understanding how human behavior interacts with technology is critical to establishing a robust prevention platform for any business."

To schedule a meeting at the conference please email: marketing@virtualarmour.com or stop by booth 109 at the Hyatt Regency Denver Technology Center.

About VirtualArmour

VirtualArmour is an international cybersecurity and Managed Services provider that delivers customized solutions to help businesses build, monitor, maintain and secure their networks.

The Company maintains 24/7 client monitoring and service management with specialist teams located in its US and UK-based security operation centers ("SOC"). Through partnerships with best-in-class technology providers, VirtualArmour delivers only leading hardware and software solutions for customers that are both sophisticated and scalable, and backed by industry-leading customer service and experience. VirtualArmour's proprietary CloudCastr client portal and prevention platform provides clients with unparalleled access to real-time reporting on threat levels, breach prevention and overall network security.

VirtualArmour services a wide range of clients - which include those listed on the Fortune 500 - within several industry sectors, in over 30 countries, across five continents. Further information about the Company is available under its profile on the SEDAR website, www.sedar.com, on the CSE website, www.thecse.com, and on its website www.virtualarmour.com.
