CSE Trading Symbol: VC

Volatus Capital Corp. (“VC” or the “Company”) announces changes to its board of directors. Chris Little has resigned from the Board of Directors and the Michael Kobler has agreed to join the Board of Directors.

Michael Kobler, B.Sc.

Over the past 35 years, Michael Kobler has specialized in identifying, acquiring, developing and producing natural resource opportunities throughout the world as well as overseeing the design and construction of a number of infrastructure projects. He has served in a variety of roles for early stage companies including, Chairman, Chief Executive Officer, President, Technical Advisor, Engineer and Project Manager, and has been a founder and a major shareholder in a number of these ventures. Mr. Kobler has a strong record of success in the exploration, permitting and de-risking of resource projects. His expertise in identifying opportunities through detailed examination of all available information combined with his in-depth knowledge of permitting processes, including detailed environmental work, and dealing with issues related to water supply have positioned him for projects across North and South America. In 2005, Mr. Kobler was a Co-Founder and the original CEO of Osum Oil Sands Corp. (“Osum”) where he oversaw the analysis and acquisitions of the original oil sands leases that form the core of Osum’s projects at Cold Lake and the Saleski carbonates, both in Alberta. During his tenure with Osum, Mike oversaw the growth of the company from start-up to a valuation approaching \$500 million; he also hired his successors to ensure the smooth transition of the Company to its next phase of growth and an equity value approaching \$2 Billion. Mr. Kobler holds a BSc in Mining Engineering from Montana Tech.

The Company would like to thank Chris Little for his contributions to the Company and wish him well in his future endeavors.

Michael Collins, president and chief executive officer, stated: “VC welcomes Michael Kobler to our board. His technical and corporate governance skills will inform the Company as we develop our exploration projects”

The Company recognizes the COVID-19 pandemic and has instituted a work from home policy for all staff.
