In addition, 15 million payment shares will be subject to a voluntary 18-month hold period, whereby 10 per cent of such payment shares will be released on the listing date and an additional 30 per cent will be released every six months thereafter.

In connection with the acquisition and pursuant to the amending agreement, the company will now issue 3,557,222 shares on a postconsolidated basis to an arm's-length third party at a deemed price of 25 cents per share as a finder's fee.

The company also announces that effective July 17, 2020, Winston will change its name to Vegaste Technologies Corp. and consolidate its shares on the basis of 10 preconsolidation shares without par value for one postconsolidation share without par value. The company paid \$10,000 to eligible finders as finders' fees and will issue 36,000 finders' warrants to a finder on the date the escrow funds are released. The subscription receipts are subject to a statutory four-month hold period in accordance with Canadian securities legislation. The net proceeds of the Concurrent offering will be used to finance the acquisition and to provide working capital to the resulting issuer.
