Versus Systems, Inc. Partners With IDW Media Holdings, Inc. to Expand Video Game Prizing and Promotions Engine

Player Rewards to Include Comics Books, Graphic Novels, from Transformers, and More

Vancouver, BC and San Diego, CA - December 4th, 2017 - Versus Systems Inc. (CSE: VS) (OTCQB: VRSSF) (FRANKFURT: BMVA) today announced a partnership with IDW Media Holdings, Inc. (OCTQX: IDWM), publishers of comics and graphic novels for *Star Trek*, *Transformers*, *Teenage Mutant Ninja Turtles*, *My Little Pony*, and more, to expand the Versus in-game prize offerings for video gamers. Players will compete in-game for access to IDW's wide ranging portfolio.

"IDW is such an exciting prizing partner for the Versus platform," said Matthew Pierce, founder and CEO of Versus Systems, "comics and graphic novels, both digital and physical, are ideal rewards for gamers across so many different types of games. We can't wait to start offering IDW prizing, from GI Joe, to Star Wars, to Orphan Black comics inside Versus-enabled games."

"The Versus platform makes it easy to reward players for their in-game skills," said Greg Goldstein, President and Publisher of IDW Publishing. "Players can select our latest comics and graphic novels as prizes, and then compete for them in-game. Versus provides a unique way to engage our readers and gamers alike!"

About IDW

IDW Media Holdings, Inc. (OCTQX: IDWM) is a fully integrated media company, which includes publishing, games, entertainment, and the San Diego Comic Art Gallery.

IDW Games' diverse line-up includes the international phenomenon *Machi Koro*, as well as hit licensed games such as *X-Files*, *Back to the Future*, *The Godfather*, and *TMNT*.

IDW Entertainment serves as the worldwide distributor of Wynonna Earp airing on the Syfy Channel in the U.S. and is producing BBC America's Dirk Gently, based on the bestseller by Douglas Adams starring Elijah Wood and Samuel Barnett.

About Versus Systems

Versus Systems, Inc. has developed a proprietary in-game prizing and promotions engine that allows publishers and developers of interactive media to offer prizes inside interactive media including mobile, console, PC games, and streaming media. Brands pay to place products in-game via the Versus platform and players will compete for those prizes. Versus has developed blockchain security and personalization technologies to secure their prizing system.

Versus is working with 704 Games for the NASCAR series of mobile and console games, including NASCAR Heat Mobile which will be available with Versus prizing in early 2018. Versus is also working with Team NINJA, a subsidiary of Koei Tecmo for additional PC and console games; and their prize provider partners include Rockstar Energy Drink, Han Cholo, Tier1, IDW, and others.
