704Games to Give Away \$100,000 in Speedway Motorsports, Inc. Race Tickets

Offers Fans a Chance to Win Ticket Vouchers in NASCAR Heat Mobile

VANCOUVER, BRITISH COLUMBIA – June 12, 2018 – Versus Systems, Inc. (“Versus” or the “Company”) (CSE: VS) (CSE: VS.CN) ([OTCQB: VRSSE](#)) (FRANKFURT: BMVA) announces that today, its partner 704Games, NASCAR Team Properties’ exclusive simulation-style video game licensee, in partnership with Speedway Motorsports, Inc. (SMI), announced the WINFINITE 100 through Versus’ WINFINITE platform. This in-game promotion within *NASCAR Heat Mobile* will award \$100,000 USD worth of race ticket-vouchers to winning players.

Beginning June 4, players can now compete in in-game challenges for a chance to win coupons that can be used toward the purchase of a 2018 NASCAR-sanctioned event ticket at any of SMI’s eight race tracks across the United States. Each day, 100 \$50 ticket coupons are up for grabs with 2,000 total coupons being awarded over 20 days amounting to \$100,000 in value.*

“With so many great races left in the 2018 season, 704Games is thrilled to partner with SMI for the WINFINITE 100 and offer NASCAR fans this huge value,” said Ed Martin, President at 704Games.

“We are excited to work with 704Games and SMI to play a part in helping fans win real tickets to real races through NASCAR Heat Mobile,” said Matthew Pierce, Founder and CEO of Versus Systems – makers of the WINFINITE platform. “This competition will encourage fans to play longer and more often, with every race giving them a better chance to win.”

NASCAR Heat Mobile, the first authentic NASCAR racing game on mobile to feature 40 stock cars racing simultaneously, was first released in mid-2017 and recently surpassed 2 million downloads on iOS and Android. In March, the 2018 Season Update was released which featured new drivers, new Fan Zone items as well as a new track – the Charlotte Motor Speedway ROVAL.

WINFINITE, powered by Versus Systems, is an integrated consumer engagement platform that pairs brands with audiences to offer targeted real-world prizing within a digital game, such as NASCAR Heat Mobile.

Fans can download *NASCAR Heat Mobile* free on the [App Store](#) and [Google Play](#).

*Certain restrictions apply. See Official Rules for details.

About 704Games

704Games is a video game publisher and developer focused on delivering high-quality experiences on console and mobile. 704Games, a video game licensee of NASCAR,

released NASCAR Heat 2 on the PlayStation®4 computer entertainment system and Xbox One in September 2017. Cautionary Note Regarding Forward Looking Information

This news release contains certain forward-looking information and forward-looking statements within the meaning of the applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of historical fact and may be forward-looking statements. In this news release, forward-looking statements relate, among other things, to: the completion of the Offering and the use of proceeds from the Offering.

*These forward-looking statements are based on reasonable assumptions and estimates of management of the Company at the time such statements were made. Actual future results may differ materially as forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to materially differ from any future results, performance or achievements expressed or implied by such forward-looking statements. Although the forward-looking statements contained in this news release are based upon what management of the Company believes, or believed at the time, to be reasonable assumptions, the Company cannot assure shareholders that actual results will be consistent with such forward-looking statements, as there may be other factors that cause results not to be as anticipated, estimated or intended. Accordingly, readers should not place undue reliance on forward-looking statements and information. There can be no assurance that forward-looking information, or the material factors or assumptions used to develop such forward-looking information, will prove to be accurate. The Company does not undertake any obligations to release publicly any revisions for updating any voluntary forward-looking statements, except as required by applicable securities law. **The Canadian Securities Exchange does not accept responsibility for the adequacy or accuracy of this press release.***
