The Corporation expects to file its Annual Filings on or about May 15, 2020 and it expects to file its Interim Filings on or about June 15, 2020.

Management and insiders of the Corporation are subject to a trading black-out policy that reflects the principles in section 9 of National Policy 11-207 *Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions*.

The Corporation confirms that there have been no material developments, other than those disclosed through news releases, since the filing of its interim financial statements for the period ended September 30, 2019.
